

#occupywallstreet

Gabrielle Scharaga

- OCCUPY WALL STREET is a people powered movement for democracy that began in America on September 17 with an encampment in the financial district of New York City. Inspired by the Egyptian Tahrir Square

WE ARE NOT CRIMINALS  
WE ARE AMERICANS  
WE ARE PEACEABLY ASSEMBLING  
to  
PETITION THE GOVERNMENT FOR  
A REDRESS OF GRIEVANCES

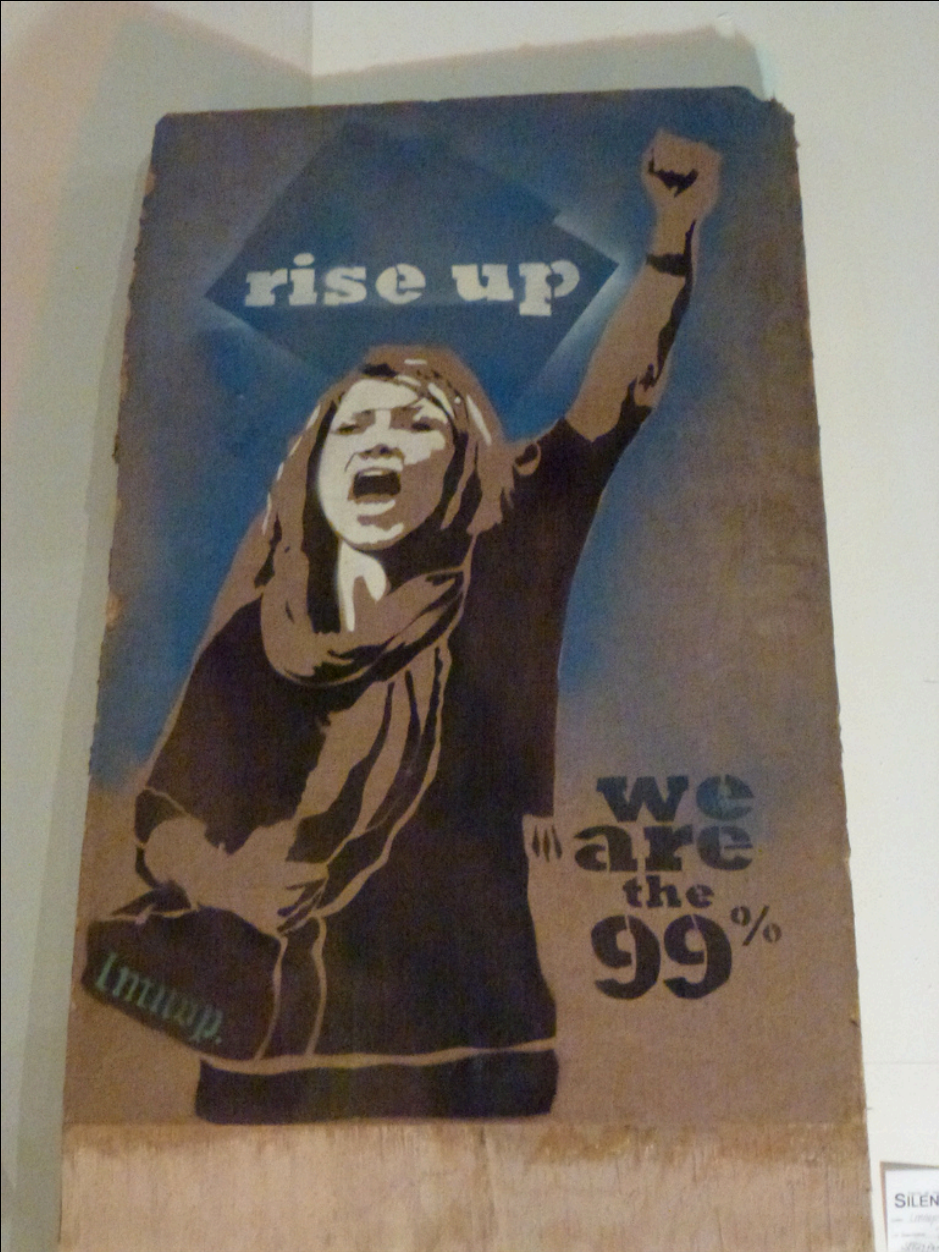

# What does OWS mean for art?

- The Occupy Movement critiques overlap heavily with the art world:
  - corporate domination of museums
  - art-school debt
  - a 1 percent system of funding and canonization

Protesters are utilizing artistic practices to express their political and personal viewpoints

SILEN

# Ways to contribute

- Send links to artwork, music, paintings to #occupywithart
- Stay up to date with art being made at encampments #occupiedwithart
